Dear stakeholder,

It is with the greatest sadness that I formally inform you that Nedlac lost one of its long serving members of secretariat staff during the festive holidays. Ms Anna Monare, who was an Administrator within the Programme Operations unit passed on 23 December and was laid to rest on 30 December 2017.

The heart breaking news of the death of our colleague and friend came at time when it was not possible to convene a session to fondly remember and bid her farewell. Please note that processes are already underway to host a memorial service as soon as a date is finalised with the family.

Ms Monare's passing is truly a great loss to Nedlac and its stakeholders. She will be profoundly missed. Our most heartfelt condolences and sympathy still goes out to friends and family.

May her soul rest in peace
